GENERAL PROVISIONS

This licence is issued under Regulation (EC) No 1072/2009⁽¹⁾.

It entitles the holder to engage in the international carriage of goods by road for hire or reward by any route for journeys or parts of journeys carried out within the territory of a Member State permitted by any international agreement between the United Kingdom and the European Union or a Member State.

In the case of carriage from the United Kingdom to a third country or vice versa, this licence is valid for that part of the journey carried out within the territory of any Member State.

The licence is personal to the holder and is non-transferable.

It may be withdrawn by a traffic commissioner or the Department for Infrastructure (Northern Ireland), for example, where the holder has:

- not complied with all the conditions for using the licence,
- supplied incorrect information with regard to the data needed for the issue or extension of the licence.

The original of the licence must be kept by the haulage undertaking.

A certified copy of the licence must be kept in the vehicle⁽²⁾. In the case of a coupled combination of vehicles it must accompany the motor vehicle. It covers the coupled combination of vehicles even if the trailer or semi-trailer is not registered or authorised to use the roads in the name of the licence holder or if it is registered or authorised to use the roads in another State.

The licence must be presented at the request of any authorised inspecting officer.

Within the territory of the United Kingdom or each Member State, the holder must comply with the laws, regulations and administrative provisions in force in that State, in particular with regard to transport and traffic.

⁽¹⁾ Regulation (EC) 1072/2009 as retained in UK law by section 3 of the European Union (Withdrawal) Act 2018 and as amended by regulations made under section 8 of that Act.

⁽²⁾ 'Vehicle' means a motor vehicle registered in the United Kingdom or a Member State, or a coupled combination of motor vehicles the motor vehicle of which at least is registered in the United Kingdom or a Member State, used exclusively for the carriage of goods.
